

BP 2

OBJECTIVES: To give an understanding of the history of Scouting through fun, games and sharing.

5 minutes

Opening: Hop, flag break and welcome

15 minutes

Game: Feet off the floor (a caring game)

Place chairs around the hall. The Joeys try to move around from chair to chair and are safe when they are off the floor, but on the floor they are in danger. Choose two Joeys to be the catchers. They throw soft balls at the others. If hit when their feet are on the floor they are 'caught'. The catchers are only allowed to *walk* around the hall.

10 minutes

Story: The story of Baden Powell

The story is at the end of this manual. You can read it or tell it in your own words.

15 minutes

Activity: Word grid

Give each Joey a copy of the word grid on the next sheet and a pencil. They must try to find the hidden words.

10 minutes

Game: The BP Story

Sit the Joeys in a circle and play read 'The BP story as a steam game', which is also at the end of this manual.

5 minutes

Closing: Hop, and lower the flag

Prayer

Thank you, Dear Lord, that BP began the Scouting movement so that we can have fun learning together.

Amen.

Farewell and any notices.

Note: The two games can be swapped around to give the Joeys some extra information in the early part of the programme. They can use it when listening to the main story and doing the word grid. The different activities are all emphasising the same words and information.

RESOURCES

You will need both versions of the BP story, copies of the word grid and pencils.
